Manual 

Steps

Preconditions Admin:

*Make sure that your user does NOT have **Report Upload** role:*

1. Login to the L+ application → **Dashboard** page is opened
2. Click **User Profile** icon
3. Click **Admin** link → **Admin** panel is opened
4. Select **User Profiles** link in **User Management** dropdown from left Nav menu
5. Find your user profile using **User Name** field → User is depicted in **Search** result
6. Click **Edit** icon next to your user name → **Edit New User Profile** pop-up is opened
7. Delete **Report Upload** role from **Added Roles** multiselect dropdown (if it presents there) and click **Save** button

Preconditions:

1. Login to the L+ application → **Dashboard** page is opened
2. Create a new patient [Create patient with only required fields](#)
3. Go to **Provider's Information** page and add any Ordering Provider [Create Ordering Provider for Paper Order](#)
4. Go to Sample Registration page and create any Sample(s) [Create Sample with only required fields](#)
5. Navigate to **Order Details** page → **Order Details** page is opened in **Edit** mode
6. Add **any Test/Panel**:
 - **Fill** required **Order level** fields, **Associate** sample(s) and **Save via Global Save** using the following links in case of [TEST/PANEL](#)
7. Navigate to **Documents** page
